

Roles

Job Profiles determine what features and sections a Cycle user can access.

Sort

Create profile

Job Profile 1 A very long description would run the full length here	System default	6 roles	Duplicate
Job Profile 2 A very long description would run the full length here	System default	1 role	Duplicate
Job Profile 3 A very long description would run the full length here	Custom	1 role	<ul style="list-style-type: none">○○○
